Danny was a Bergenfield High School graduate and three sport athlete. He was Bergenfield High's first 100 wrestling match winner, and went on to wrestle at Ursinus College, in Collegeville, PA. Danny died tragically in 2012 after sustaining severe brain trauma from a motor vehicle accident on the way to a fellow Ursinus wrestling teammate's funeral. Danny was an organ donor and through his generous gift of life was able to save and enhance the lives of many, including that of his Little League coach Ed Mooney, who received Danny's liver. Past recipients of the scholarship have gone onto the Police Academy, LSU, Bergen Community, Springfield, and Ursinus College to name a few.

SPECIAL THANKS:

This event program would not have been possible without Fred Di Tecco, for the hard work, diligence, attention to detail, and the patience it took dealing with me. I am not Tech savvy, to say the least, yet Fred would take every one of my ideas and make them happen.

We at Donors for Danny are so grateful to a fellow friend Andrew Lazarus who connected us to Fred. Please see his ad in our program. Fred, Thank you for answering every one of my countless texts, and emails, and for being a part of Donors for Danny.

We are so thankful to have you as our website designer.
