**Our Mission Statement**

Donors for Danny mission is twofold. First, to encourage others to become organ, eye and tissue donors. Through volunteering with The New Jersey Sharing Network, our states organ procurement organization, we continue to educate and spread awareness on the importance of donation and transplant. And two, to raise funds for the Danny Glover Memorial Scholarship, which assists each recipient in furthering their education and reaching their goals.

# Special Thanks from our President

Fred Di Tecco, our website designer who I met from a wonderful mutual friend, Andrew Lazarus. Fred heard Danny's story and contacted me and said "I'm in." Charging Donors For Danny no fee, he deals with me who knows absolutely nothing about websites let alone technology

Eileen Fenner, who designed our letterhead in the midst of planning her sons wedding. The FGFG gained a new member.

Kristian, my daughter: I am so proud of you and grateful to call you my daughter. Thank you for helping to make this happen.

Michael, my Son in Law: Thank you for the music. We wish you could have been here, but we hope you like the stand in.

Benny: You are a wonderful Godson and Danny was blessed to call you his friend.

Shelley: Welcome to the Jungle; I mean Board. Coach. Friend. You were both. Thank you for Duals for Danny.

Kelley Bacci: Thank you for those beautiful fliers.

Lucille: Amazing. Getting raffle prizes. Wow, what can I say!

Greg : Truly a go getter; hitting those businesses

Amanda: for making those beautiful cookies.

Adam: for restoring the Oktoberfest Table to brand new condition.

Raymond ; You listen to it all and for that I am most grateful. Thank you most importantly for sharing Danny with me. He is our inspiration for all we do for Donors for Danny .

**We could not have done this without our  
two major sponsors:**

Troegs Brewery**

**The New Jersey Sharing Network for supplying us with
